Summer 2019

Welcome Campers,

As Fire Chief/ Emergency Management Director and Fire Warden for the Town of Fryeburg I was asked by the fair officials to address some issues that have come up in the camping areas at the fairgrounds.

- 1) E-Z Ups & Portable Garages may be used but they cannot have sides and you may not put tarps up as sides. Tarps may be used as awnings (with approval of the Campground Director) but they may not be hooked camper to camper. Also, campers may not be parked so they are awning to awning as this doesn't allow for safe exit from the campers in case of a fire.
- 2) Second is the use of portable heaters; any heater must not produce an open flame and must not be in use when no one is present to attend them.
- 3) **NO CAMP FIRES ARE ALLOWED ANYWHERE ON THE FAIRGROUNDS** and please when using BBQ grills be sure you use extreme caution and have a good clearance from any camper.
- 4) **ALL** propane tanks **MUST** be secured when standing upright in camping areas.
- 5) **NO FIREWORKS or CONSUMER FIREWORKS OF ANY KIND** are allowed on fair grounds.
- 6) Sky Lanterns / Chinese Lanterns or any type of balloon or lanterns that are propelled by a flame are **BANNED** in the State of Maine per Maine Statute Title 8, Chapter 9-A, Section 222(1).

Remember everyone is here to have a good time and I am charged with making it as safe as possible, for all attending the fair so please abide by these rules to keep everyone safe. By signing your receipt as a camper here on the Fairgrounds, you are agreeing to the above listed camping rules.

If you have any questions or concerns, please go to the closest camping office and they will get in touch with me and I will be more than happy to answer any questions.

Stay safe!

Andrew S. Dufresne

Fire Chief/ Emergency Management Director/Fire Warden

*****REMINDER- NO CAMP FIRES ARE ALLOWED ANYWHERE ON THE FAIRGROUNDS OR CAMPING AREAS AT ANY TIME*******
